

Product Specifications

Part Number: SCS-125
Silicone Cold Shrink for 1/2" to 1-1/2" connection

Dimensions

Nominal Size: 1/2" to 1-1/2" connections
Length: 125mm (5.0")
Diameter: 47mm (1.85")

General Specifications

Diameter for Seal Maximum: 1.50"
Diameter for Seal Minimum: 0.50"
Applications per Kit: One 1/2" to 1-1/2" Connection

Mechanical Specifications

UV Resistant
Made of Silicone rubber
Offering good mechanical, insulation and sealing protection
Accommodating a Wide range of cable sizes
For indoor or outdoor applications
Simple and fast installation

Product Application

Alternative weatherproofing device
Silicone rubber construction
Seals 1/2" to 1-1/2" Antenna and Device Connections
No tools required

Regulatory Compliance/Certifications

IP 67 rated after proper installation
