

# Product Specifications

Part Number: BB-34  
Stainless Steel banding buckles

## Dimensions

---

0.70" x 0.75"

## General Specifications

---

100 pieces per box  
SS 201  
Conforms to ASTM240, A480

## Mechanical Specifications

---

SS 201

## Product Application

---

Utilized in general use banding applications
